James J. Hill, the great railroad man has this to say regarding the saving of money: "If you want to know whether you are destined to be a success or not, you can easily find out. The test is simple and infallible. Are you able to save money? If not, drop out. You will lose, you may think not, but you will lose as sure as fate, for the seed of success is not in you." Why not make up your mind to start a systematic way of saving money today, and stick to it. Let me explain to you my plan, which at the same time will protect you in case of a serious accident, and also your family in case of your death. Drop me a line asking me to call. M. L. Marcum, Louisa, Ky.
